

ANU PROJECTS CONSULTANTS AND ENGINEERS PVT LTD

Opening Indian windows of opportunities

www.anuprojects.com

India has become a preferred investment destination for the top multinational companies. A talented pool of professionals, huge market potential and fast pace of economic growth is a definite attraction for every growing global company. In 2009-2010 India's GDP growth was 8% and it is expected to rise to 10% in 2010-2011. Anu Projects Consultants & Engineers Pvt. Ltd. has always played a very constructive role of interpreting the country to multinational companies, who look at the Indian market with keen hopes.

Anu Group of Companies commenced its operations in 1986. Since then we have been providing representations and

consultancy to industries in engineering, procurement and construction sectors. We also offer techno-commercial help to Indian and international companies in the field of Oil and Gas, Refineries and Petrochemicals. Over the years, Anu Group has earned significant success in its mission. Today, the company's net worth is more than 50 Million USD. During 2009-10, the Group companies have executed business of over 400 Million USD, for various International and Indian companies.

Anu Projects is proud to have the following companies as its business associates, to whom we provide techno-commercial services on a regular basis.

In addition to this, we have had opportunities to work with large international companies in the hydrocarbon sector. Anu Group effectively handles a wide range of manufacturing industries in the areas of Process Technology Licenses, Specialized Catalysts, Chemicals and Heat Transfer Equipments.

Our vision is to be the leaders in the field of international co-operation, to get state of the art technologies and processes to

India in order to strengthen its industrial & technological growth. Everybody wants to establish a benchmark and sail the deep shores of triumph in the Indian Industries, we are the anchors who can procure for you - your vision. Anu Projects Consultants & Engineers Pvt. Ltd. has diversified activities and is very well acquainted with the Indian Hydrocarbon sector. Hence, choosing the route of Anu Group of companies would be the key to success in the Indian industry.
